# ARISE AS A MOTHER.

ARISE AS A MOTHER

*Often we wait for all the right details to come into place before we act, but maybe this is the year  
God is saying, "Stop waiting and get to it."*

*Body and mind — this is the year we embrace the self that God gave us.*

## NOTES

What is one thing you needed to hear today?

What is one invitation you are sensing from God?

## JOURNAL

*"Always we begin again."*  
-St. Benedict

Is there an area of your life where you need to begin again? Not "make perfect" or "completely overhaul" or "manage better" ... just, simply, begin again?

The word "begin" comes from the same word that means "to open" or "to open up." Is something in your heart or mind closed that God may be inviting you to open? New ideas, new possibilities, new hope? Are you paralyzed or stuck and God is nudging you to step into the next, new moment?

What lies do you need to let go of in order to begin again?  
What truth do you need to trust in order to begin again?

I'll give you STRENGTH. I'll help you. I'll hold you steady, keep a firm grip on you.*
